GOURMET ENTREMETS FOR YOUR SPECIAL OCCASIONS

At La Folie, we use single origin cacao beans sourced from top 50 cacao plantations and farmers cooperatives in India, America and Africa to make our bean to bar chocolate. Our craft chocolate is made using only three, all natural, high quality ingredients: cocoa mass, cocoa butter and organic, raw cane sugar or natural sugar alternatives. This craft chocolate is the foundation of our gourmet cakes and confections that you love.
